# Knights of Columbus

Established in 1897

**Brother Knights, Family Members, Readers, Friends**

Here comes June, I think. Why do some days still feel like April? Better weather and the vacation season are just around the corner. We to at The Knights will be going into our slower season months during July and August (though the past two summer seasons stayed pretty busy). There will be no Council meetings during July/August. Officers and Trustees will continue to meet over the summer months. The official start of summer also begins on June 21.

I would also like to also apologize for the lateness of the June newsletter. Technical difficulties (my computer was one of the culprits), delays in content, schedules etc. all played a role. We all learn from these situations and do better in the future. (NOTE: July/August newsletters will be combined as in the past.

Activities continue to remain strong thru June. Many thanks go out to all the volunteers that helped to ensure another very successful Memorial Day celebration and open house at The Knights. Our day started with set up at 7:30 AM with many leaving to attend Mass at St Joseph's Cemetery at 9:00. 800+ Hoffman hotdogs+500 water/soda bottles+200 snack bags not to mention a very robust bar crowd ensured a very successful day. 5000+ candy treats were also distributed by our volunteers from the KOC firetruck during the parade. Special thanks for the support of Lee and Paul Vanderpool for again sponsoring the firetruck on behalf of The Knights.

Our gross revenue as well as margin contributions are again in line with budget expectations. Preliminary results YTD project a better than budget performance in gross vs expense %. Every % of improvement adds to our bottom line and enhances our ability to "Give Back" to our community. Additional and more specific financial results are discussed at each monthly Council meeting and are logged into our Council agenda and minutes. We will also be finalizing our June year end budget and P&L as well as preparing for our year end audit and update to Supreme. Final year end results will be available by the end of July. We will also be preparing the fiscal budgets and P&L budgets for our new fiscal year beginning July 1, 2019 - June 30, 2020.

Several dates in June are also significant.

June 2-Ascension Sunday, June 6-75 Anniversary of the D Day Invasion, June 14-Flag Day, June 16 -Fathers Day— A very special day to honor our Fathers and Father Figures—Our Fathers are our heroes, role models, friends, Christian influence, shoulder to cry on, protector of our Family, fishing, hunting buddy, the know it all and can do it all guy and on and on and on. A father carries pictures in his wallet where money used to be. The older I get the more I realize the role that Dad played in my life always going above and beyond without hesitation. Thanks to all of our Father Figures. We honor and celebrate you not only on Fathers Day but each and every day of the year. June 21-Start of Summer, June 23-Most Holy Body and Blood of Christ, June 24-St John the Baptist feast day, June 28-Sacred Heart of Jesus, June 28-feast of St Peter and Paul.

The month of June is also specifically dedicated to The Sacred Heart of Jesus. The beginning of June also falls with in the liturgical season of Easter represented by the color white - a symbol of light, joy, purity and innocence. The rest of June falls with in the season of ordinary time represented by the color green - a symbol of hope, sprouting seeds, hope in the eternal harvest of heaven and of the glorious resurrection. The Holy Father also offers special intentions for June and the mode of life of Priests. "That priests, through the modesty and humility of their lives, commit themselves actively to a solidarity with those that are most poor. ([Pope's Worldwide Prayer Network](#))

This June 6th also marks the 75th Anniversary of the D Day Invasion of Normandy. On June 6 1944 the largest amphibious military assault in history took place on a 50 mile stretch of the Normandy beaches. Over 175,000 men landed supported by 6,939 allied ships and 11,590 allied planes . 4,414 allied troops died on that day with estimates of over 10,000 total casualties killed, wounded or missing. Many serviceman from Auburn lost their lives during WW2 but of special significance was the 299th Combat Engineers Battalion made up of 660 men mostly from the Upstate NY area to include 63 from Auburn, NY. On D Day the Battalion lost 1/3 of its men to include 6 from Auburn. Nicholas V. DeAngelis, Leo A. Indelicato, John R. Spinelli, Thomas J. Phillips, Claude D. Brown Jr., Lawrence A. Roberts all made the ultimate sacrifice in defense of their country. With in 5 days the Allied's landed over 350,000 troops. Let us never forget the sacrifices made by thousands of service men and women that defeated the evils of the Nazi regime in order to guarantee the freedom of all nations as well as the Democracy and freedom that we live in and enjoy today in the United States. God Bless.

We all have our stories to tell about relatives and others that took part in the D Day invasion. My Father was part of the D Day invasion and was wounded in combat in Belgium for which he earned a Purple Heart as well as other medals. I am very interested in hearing about the stories of our friends and relatives that served not only in WW2 but as well as in other conflicts. Perhaps we can gather at some point and memorialize these stories and make them part of our Veterans wall at The Knights. Let me know your thoughts.

Degrees. I am pleased to announce that we will be hosting three (3) Degree Ceremonies this fall. 2nd Degree in September, 3rd Degree in October and 4th Degree in November. A great opportunity to attend additional Degree Ceremonies right here in Auburn. As an example we currently have over 200 2nd Degree Brothers. Details contained with in the newsletter.

I will close with a special announcement. After much thought, contemplation and soul searching I have decided to reconsider and run for Grand Knight again. My work for The Knights incomplete. Yes we have grown in many positive ways, however, many of the areas that I expected to significantly improve including growing our membership and growing youth programs still need work. We are also close to announcing candidates for Deputy Grand Knight. A vital role in the path for Grand Knight that would require some mentoring. So, if elected, my role as Grand Knight will continue. Thanks for your understanding and support and I am always happy to answer any questions that you may have.

**NOTE: Reminder - elections for Council 207 and Home Corp. will take place prior to our June Council meeting on Thursday June 27, 2019. Election ballots will be posted in the May/June Newsletter as well as at Council.**

In closing a reminder that our faith is about new beginnings and giving not only occasionally but each day throughout the year.

Have you done your part in helping to make a positive difference in someone's life each and every day of the year?

Fraternally,

*Jack*

**Ongoing Updates:** Please forward additional weekly update request directly to Rich Kloster each Monday. E mail updates will be sent to all Council members + Ladies Auxiliary members that have an e mail on file. We are also looking for a volunteer to assist Rich in updating the council web site.

**News and Views:** Results year over year continue to be very favorable, YTD May 2019 vs YTD May 2018 for both Council and Home Corp are within our fiscal budgets. Our gross \$'s in May were higher vs. last year (+4%). Buy vs gross % continue as "Best in Class". The average past 3 months gross vs. spend was higher vs. the norm due to several quarterly and annual payment due. May was back in line at 36%. Every % of improvement = increased profits for Council and increased charitable contributions. Our financial committee continues to meet each month. Mark Carr provides an update on our fiscal performance, YTD, for both Council and Home Corp. Detailed financial updates are available at monthly Council meetings. Home Corp. is current with all obligations to Council. Based upon performance, additional \$'s are being allocated from Home Corp. to Council in support of our initiatives and charitable contributions.

Activities in May remained strong with 31 events scheduled. Our rental contributions are the highest in several years. Many organizations are booking their events/meetings well into 2019 and some booking into 2020. It is very important that you contact Don Poole well in advance when booking an event. A debit/credit system was approved by Home Corp. We will delay implementation until we are fully staffed with additional bartenders and expect to launch during the quieter months this summer. Our physical building is in need of repair over the next 1-5 years. In addition to the new roof we are in need of the following - painting inside and out - repair of outside rear wall - stove repair or replacement - coat parking lot - remove and replace rear landscaping - security system - new computer - reconfigure kitchen - replace air conditioner (21 years old) repair outside walls, etc.. All have been identified at Council meetings and with in our finance committee. Plans are under way to prioritize and set up a schedule to proactively address all issues over the next 5 years. We will establish a budget and timeline and all will require Council approval. We are currently receiving bids for the early projects. We have also reached an agreement with NYSEG to replace all interior and exterior light fixtures and switches with state of the are LED lights. NYSEG will cover 2/3 of the overall cost. Council approved motion to accept bid from NYSEG and complete work. 100% all in favor at May Council meeting.

**Membership Transfers:** We continue to process member transfers from The St. Francis Council as well as from other Councils.

**Membership:** We have added 34 new 1st Degree and Transfer members YTD. 68% towards our goal of 50 new members in 2019. Plans are underway to host membership drives at our local Churches in the upcoming months. All candidates must be sponsored by an existing Brother Knight in good standing.

**By-Laws:** Our Advocate, Patrick Carbonaro, has advised me that the current BY-Laws for both Council and Home Corp. require updating. Patrick has also reviewed same with our former Advocate, John Rossi. We will be working closely with Patrick, Jeff Gage, Mark Carr, Bruce Sherman, Pat Crawford, John Montone and Alex Vanderpool to begin the updating process. As a guide we will follow the current BY-Law and Charter Constitution Laws received by Supreme. This is a significant process and work is still underway to complete. We will continue to update on progress in future newsletters and Council meetings. We are also required by Supreme to comply with newly established guidelines for Councils with Home Corps. This process remains ongoing and we anticipate a draft document with in the 1st qtr of 2019.

**Grand Knight Suggestion Box:** I am always interested in any and all suggestions and recommendations that are in the Best interest of Council 207. There is a Grand Knight Suggestion Box located at the table near the front door. Your input and ideas are welcome.

**Christian Activities:** We will continue to expand our involvement in Catholic Christian Activities throughout the year. Increased involvement by Council in activities at Tyburn Academy, St Joseph, Catholic Parishes, Champions for Life, Special Council Masses, Seminarians, Christian couple's events, Deacon Dennis Virtues events, local Pastors and Deacons, KOC Supreme special events and activities, Young men's group activities, etc. Important that we all work together to ensure success and sustainability for these projects now and in future years.

Work is complete in constructing a special permanent display area at the KOC to remind us all of our Catholic parishes and Catholic Christian affiliates and their roles in our faith community. Displays will be posted in the near future.

My Dear Brother Knights & Ladies of the Auxiliary

I have been asked to head our C&B (Charitable & Benevolent) drive again this year. The C&B is an excellent way for our local council to raise money for ourselves and the New York State Council enabling both groups to help our fellow New Yorkers that are in need.

As you can see by the emblem I have used for this letter, Charity is our first and foremost duty as members of the Knights of Columbus, and our Ladies Auxiliary who have helped us immeasurably in achieving our goals in our journey to help our fellow brothers and sisters.

I am asking each member of both sections to please purchase at least one book of tickets to aide in our goal. A book of tickets will cost you Thirteen dollars (\$13.00). Twelve dollars for the book and one dollar to have them filled out for you, leaving you to only write the check.

In closing I will thank each and every member in advance. Together we are over 900 people strong.

Fraternally Yours,

Tom Crawford PGK

Please just fill out this bottom portion and send this letter in with your contribution .

## For Our Service Men & Women

Dear Lord, we thank you for the lives and service of our men and women in the Armed Forces. Strengthen them and give them guidance as they stand in harm's way to protect our nation and way of life. May they face each day of service in the same way Your Son Jesus did; with courage, dignity, and faith. And if it is your will when their work is through, bring them safely home. Lord, please also bless the families of our troops. Reward them generously for their sacrifices which are known only to You. May we never forget those who paid the ultimate price for our freedom and safety: those that have died in the service of our country. May they rest in peace forever with you in your Kingdom. Amen. In Honor to All Who Have Served.

**Offered in Solidarity with Pope Francis**

That the Church in Africa, through the commitment of its members, may be the seed of unity among her peoples and a sign of hope for this continent

## LADIES AUXILIARY UPDATE FROM SANDY JORGENSEN.....

June is here and school will soon be out. Planned vacations will be taken, pools are open for swimming and relaxing, boats are being launched , picnic, graduation, and wedding invites are being sent as we get in the full swing of summer. With the summer upon us the Ladies Auxiliary will take a break from our monthly meetings for July and August.

However, taking a break from meetings does not mean we will not be working hard planning events for the fall.

Plans are underway for the 2nd Annual One Wish Two Wish Your Wish Our Wish Breast Cancer fundraiser. The event will be held Saturday, October 5th from 6-10 PM. Proceeds for the event will once again benefit the Carol Baldwin Breast Cancer Research Fund of CNY. The committee is hard at work and planning to make this bigger and better than last year. There will be a live auction as well as basket raffles and a meal for all

To enjoy. Further details will be given as they are confirmed by the committee. So please save the date and help raise money to help fund a cure for breast cancer.

Our grand knight, Jack Baraczak , has decided not to run for office again this year. I would like to personally thank him for his leadership and his support of the ladies auxiliary. Take time to relax and enjoy your wife and family. You definitely deserve it. I am sure you won't miss the numerous phone calls and emails that I frequently bother you with. So.....THANKS JACK for a job well done!!!!

Unless there is something very important to report I will not be writing a piece for the newsletter during July and August. With that being said , I wish all of you a safe summer making memories with family and friends.

See you at the club and remember to Bring A Friend!!

## BAR UPDATE FROM TOM CRAWFORD....

As always, thanks for your continued support, loyalty and patronage of Council 207 in 2019. Our Brothers as well as Ladies Auxiliary and their guests are truly making a difference thru your participation, support and attendance at the Knights.

Our May gross receipts MTD are in line with our budget expectations. May 2019 \$'s were the highest YTD bolstered by our Memorial Day open house. Year over year monthly revenues and margins continue to be positive. We are also well within our fiscal budget guidelines and our cost ratio performance continues to be best in class. Our May margin % was in line with budget expectations and remains below industry standards.

Happy hour specials continue each Friday thru the summer months. Please note that the Knights will be closed on Sundays in July and August unless there is a scheduled event. Please schedule all events with Don Poole.

**NOTE: Please get the word out with in our Council members and The Ladies Auxiliary. We are looking for 2 additional bartenders as well as 2 temporary bartenders. Please contact either myself, Jack Baraczek or Jeff Gage if anyone is interested.**

I look forward to seeing you all at The KOC. Any recommendations or ideas you may have are always welcome. Again, thanks for your loyalty and support of council 207. I look forward to seeing you soon and don't forget to bring a friend.

Thanks,

Tom
