## A Message from the Grand Knight:

Dear Brothers,

The month of June marks a time of renewal and transition for Knights of Columbus Council 207, as it signifies the end of one fraternal year and the beginning of another. This period holds special significance for the Knights, as councils across the nation prepare to install newly elected officers who will guide their local brotherhoods into the future. For Council 207, June is not only a time to reflect on the accomplishments of the past year but also to embrace the promise of revitalized leadership. On July 1st, a new slate of officers will officially take office, bringing with them fresh perspectives, energy, and a steadfast commitment to the core principles of the Order—charity, unity, fraternity, and patriotism. This transition represents more than a change in titles; it is a reaffirmation of the council's mission and a powerful moment of recommitment to serving both the Church and the broader community.

As I conclude my term as Grand Knight of Council 207, and draft my final newsletter, I want to extend my heartfelt thanks to each of you for your unwavering support and encouragement. It has been an honor to serve alongside such dedicated and faith-filled men, both during the past two years and previously from 2010 to 2013. While I often wished I could have devoted more time and energy to our efforts, the demands of daily life sometimes made that difficult. Nevertheless, I am deeply proud of what we've accomplished together and grateful for the friendships formed along the way. I have no doubt that the council will continue to thrive under strong leadership and with the same spirit of unity and charity that has always defined us. I have full confidence in our amazing new officers and look forward to seeing the great things they will achieve. Thank you again for the opportunity to serve you all!

*Vivat Jesus!*

Fraternally yours,

Patrick Crawford

### **Importance of Paying Annual Membership Dues**

As 2025 continues and warmer weather comes our way, Council 207 has now paid the 2025 per capita dues to the Supreme and State chapters, regardless of whether all members have paid their local dues. With that in mind, I want to emphasize the importance of paying your annual membership dues. General membership is only \$45 per year, and these dues are vital in supporting our council's charitable initiatives and programs. By fulfilling this obligation, you allow us to pay our per capita dues without incurring any debt, helping us continue making a meaningful impact in our local community.

**USE IT TO PAY DUES  
OR SEND A DONATION!**
