A Message from the Grand Knight:

Dear Brothers,

As Council 207 transitions from summer to fall, it is a perfect time for reflection, renewal, and preparation for the charitable and community-focused activities that lie ahead. The beginning of autumn is symbolic of change and the harvest, reminding members of the need to gather strength, wisdom, and resources to continue our mission of service. It's a time to reflect on our past year's efforts, celebrate achievements, and plan for future endeavors. Being an active member of Council 207 during this time is crucial because the fall season often brings a renewed focus on community outreach and charitable events. The council's activities, such as supporting local students through the Ladies Auxiliary "Back to School" supply drive, our upcoming \$100 Building Fund raffle and our Holiday Meat raffle are just a small part of our focus this time of year. Your direct participation in these activities ensures that the council can effectively fulfill its mission and make a meaningful impact on the community at large and those close to us who are in need.
