A Message from the Grand Knight:

Dear Brothers,

With this newsletter the State Fair is in progress, and summer 2025 is winding down. We hope everyone in the Council #207 family spent quality time with family and friends, and that the months were filled with happy gatherings.

Now as the kids are sad (and parents glad) about a return to school and routine, the pace of events at Council increases. Please review the events listed in this newsletter and support as many as you can. More importantly we ask that you stop into Council regularly, as your presence is what makes #207 great.

Stop in before or after you go to dinner or pick a regular day to gather with your brother Knights and make #207 a regular part of your routine, we are always happy to see you.
